**Illinois EPA will be hosting a workshop on
Post-Development Stormwater Runoff
Performance Standards**

This workshop will be a follow-up to work done in 2012 and 2013 by an advisory group convened to develop recommendations on Post-Development Stormwater Performance Standards. The workshop will focus on costs for implementation of Best Management Practices designed to meet performance standards, and associated implementation topics.

December 9, 2014 9:30 a.m. – 4:00 p.m.

**Bloomington-Normal Marriott Hotel & Conference Center
201 Broadway Street
Normal, Illinois 61761**

More information, including a draft agenda and a link for registering for the workshop, can be found [here](#).

(We ask that you register so we know how many attendees to expect, but you do not have to print and bring with you the ticket that will be offered from the registration page.)

We hope you can be there. Please Mark Your Calendar!
